All: Good morning ,everybody.

Cindy: I am Cindy Chan.

Trace: I am Trace Chan.

Yuki: I am Yuki Lo.

All: We are from 1B.

Yuki: Cindy, Trace, do you have any hobbies?

Cindy: Yes, my hobby is playing guitar.

Trace: Well! I also like music. I like to play violin.

Yuki: Cindy, why do you like playing the guitar?

Cindy: Let me think! When I was young, my brother often played guitar. I like the sound very much. Also, I found my brother was so 'cool' when he was playing guitar. Therefore I wanted to play guitar too.

Yuki: How about you, Trace?  
Why do you like  
playing violin?

Trace: Well! Why do I like playing violin? When I was in primary school, my school wanted students to 'play one music instrument'. I love the sound of violin, so I started to learn violin in my spare time.

Trace: How about you, Yuki?

Yuki: I like playing cello.

Cindy: Why do you like playing cello?

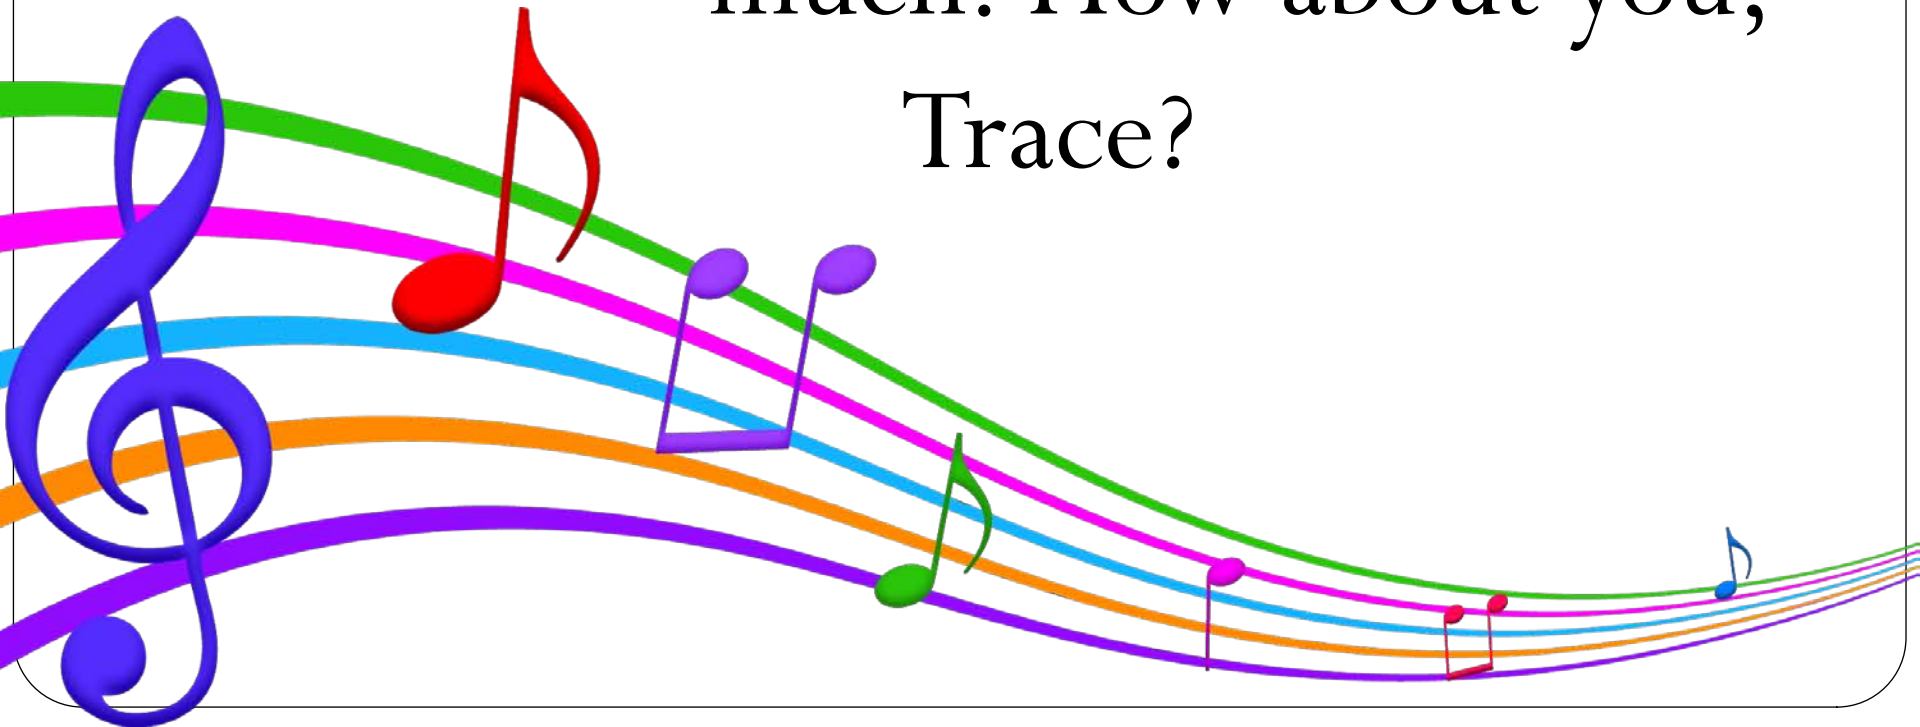

Yuki: It is because when I was a child ,I watched a TV show. I saw someone playing cello. The person was so elegant. So, I started loving cello.

Cindy: Oh I see! So do you like  
listening to music?

Yuki: Yes, I do. I like pop music very  
much. How about you,  
Trace?

Trace: Well, my favourite pop singer is Taylor Swift. Let me share the album with you tomorrow.

All: That's the end of our presentation.
